INSGROUP, INC. RECEIVES CHUBB'S CORNERSTONE ELITE AGENCY DESIGNATION

September 8, 2016

(Houston) Chubb, the world's largest publicly traded property and casualty insurer, with operations in 54 countries, recently honored Insgroup, Inc. as a Cornerstone Elite Agency, an elite group of independent insurance agents & brokers from across the country.

Chubb's Cornerstone designation represents an exclusive membership program comprised of only the top performing agencies and brokers in the Chubb system. With 15,000 agencies worldwide, the Cornerstone program is Chubb's vehicle to recognize those agencies who have a deep understanding of the company's products and services and complement the company's focus on unparalleled service. This select group of agencies represents 3% of all Chubb appointed agencies.

Chubb Cornerstone agencies work very hard to achieve and then maintain the highly sought-after designation, and because of that, Chubb provides Cornerstone agencies with a few special perks, like:

- Direct access to senior Chubb Insurance executives
- 24-hour customer service
- Guarantees that clients of Chubb Cornerstone agencies receive the most effective service in the event of a loss through special claims contacts
- Special coverage needs and exceptions not generally granted to non-Cornerstone agencies

When it comes to claims, Chubb provides its Cornerstone agencies with direct access to senior claim professionals who possess a thorough working knowledge of local and state laws as well as the state and federal judiciary system. In addition, Chubb Cornerstone agencies have a dedicated claim liaison—a senior staff member that is assigned to them as a single point of contact for all claim-related issues and concerns. This is an incredible benefit especially when handling claims after catastrophic events like Hurricane Ike.
